PAINTING AND DECORATING CONTRACTORS OF AMERICA

FLORIDA PDCA PAINTING CONTRACTORS ARE BETTER

## Florida Council PDCA Associate Member Dues

Associate Members of Florida Council PDCA are vendors to the paint, coatings, wallcovering, and decorative finishes industry. Retailers, manufacturers, wholesalers, and business support companies are all eligible for the Florida Council PDCA Associate membership level.

Florida Council PDCA Membership provides an avenue of networking and participation with the 'cream of the crop' of the Florida area painting and decorating professionals. We invite you to attend regular monthly meetings, interact with contractors and fellow suppliers to the industry, and become a part of exclusive Florida Council PDCA promotions to area architects, design pros, general contractors and of course painting & decorating contractors.

*Upon acceptance, I agree to abide by current PDCA Code of Ethics, the Bylaws & Policies of the National Association, and any amendments adopted during my membership. I will promote PDCA's standards in all business activities with fellow PDCA members and the public. I grant PDCA the privilege of contacting me via phone, electronic means, and fax on matters related to my membership. I understand this membership is for an Associate category.*
